

TECH PORT

Tech Port Trading

A General trading and Logistic company in Dubai

**We are ready to Quote any product related to
Construction material**

&

**Telecommunication equipment
and ship it wherever you want**

About Tech port Trading

- **Tech port Trading was established in U.A.E. specialized in the trading of pumps, motors, couplings, air blowers, gear motors, gear boxes, valves, generators, pipe, pipe fittings, cables, electric material supplies, all construction material & Telecommunication equipment.**
- **Tech port Trading has grown main fold and today is recognized as one of the main suppliers of various kinds of mechanical and electrical materials.**
- **Tech port Trading has Experience regional coverage, diversified product range well qualified team and partnerships with world class manufactures.**
- **Tech port Trading has all the tools to guarantee the best products to our highly demanding customers across the region.**
- **Tech port Trading is interested and specialized in supplying of different mechanical & electrical materials as follow:**

Pumps

- Water pumps (for irrigation and water treatment, water desalination) - Centrifugal pumps
- Firefighting pumps
- Drainage and sewage pumps
- Boilers feed pumps
- Chemical pumps - Gear pumps
- Screw pumps
- Piston Pumps
- Dosing Pumps
- Vacuum Pumps
- Deep well Pumps
- Submersible Pumps
- Self-priming centrifugal Pumps

Air Blowers

- Ring blowers (single stage and double stage)
- Roots blowers (three lobes design)

Electric Motors

- Single Phase
- Three Phase
- Low, medium and high tension voltage

Couplings

- Rubber Flexible couplings
- Taber Grid couplings
- Disc Flex couplings
- Gear couplings
- Spacer couplings
- Flange Flexible couplings
- Wire Drum couplings
- Chain couplings
- Fluid couplings
- Universal Joint

Valves

Cast iron, steel, stainless steel and PVC valves material.

- Butterfly valves (Flanged and wafer type)
- Non-return valves
- Gate valves
- Ball valves
- Control Valves
- Strainers (Y-type and T-type)
- Dismantling joints
- Air valves (single chamber and double chamber)
- Needle valves

Pipes and Pipe fittings

- Iron and steel (seamless and welded)
- Stainless steel and copper
- Pipe fittings (elbows, TEEs, flanges, etc) and accessories

Gear motors and Reduction gear boxes

- Helical gear
- Worm gear
- Helical – worm gear
- Bevel gear

Electrical Generating sets

- Petrol and diesel generators up to 2000 KVA

Welding machines

- Motor generator welding machine
- Inverter welding machine
- TIG welding machine
- MIG MAG welding machine
- DC welding machine
- ARC welding machine

Pressure Tanks

Capacity up to 1000 lit

- Vertical pressure tanks
- Horizontal pressure tanks

Pressure switches

- Differential Pressure switch
- Electronic Pressure switch
- Electronic Pressure switch with display
- Diaphragm Pressure switch
- Compact Pressure switch

Pressure gauges

- Manometers and Vacometers
- General services pressure gauges
- CNG pressure gauges
- Differential pressure gauges
- Liquid filled gauges pressure gauges
- Stainless steel liquid gauges
- Diaphragm gauges
- Safety pattern pressure gauges
- Spirral tube miniature gauges

Cables & Wires

- MV Cables
- LV Cables
- NYA Cables
- THHN Cables
- Flat & Flexible wires

Switch Gear

- Flush / surface mounted load centers
- Final distribution board / load centers
- Miniature circuit breakers
- Molded-case
- Circuit breakers
- Air circuit breakers
- Enclosed motor starters
- Contactors
- Over load relays

Lighting and Fixtures

- Steel poles
- Fiber poles (GRP)
- Lamps
- Lighting fixtures
- Flood lights
- Lighting components
- Fuse boxes
- Lighting gear

Cable Management

- Cable trays
- Steel conduits & fittings
- PVC conduits & boxes
- Steel boxes
- Flexible conduits & fittings

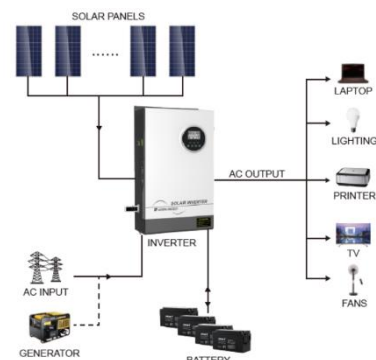

Cable Accessories

- Cable lugs
- Cable tools
- Cable glands
- Warning & electric tapes
- Cable joints
- Termination kits
- Drum jack & cable rollers

Solar System

- Solar Panels 545-570W
- Inverters 3.0KW & 5.2KW
- Gel and Lithium Batteries

Manufactures suppliers and Agencies

☀ SIGMA PUMPY HRANICE – Pumps (Czech Republic)

☀ SIGMA LUTIN – Pumps (Czech Republic)

☀ SLOV PUMP – Pumps (Slovakia)

☀ EIFEL PUMP – Pumps (China)

☀ CNP – Pumps (China)

☀ TURBOSAN – Pumps (Turkey)

☀ SEP – Pumps (Turkey)

☀ SHOWFOW – Air blowers (Taiwan)

☀ GREATECH – Air blowers (Taiwan)

☀ C-KING – Couplings (Taiwan)

☀ HST – Couplings (Korea)

☀ ELMA Electric – Motors (Bulgaria)

☀ ELPROM–ZEM – Motors (Bulgaria)

☀ I-MAK – Reduction Gearbox (Turkey)

☀ DAF – Pressure tanks (Turkey)

☀ ETATRON – Chemical pump (Italy)

☀ SIGMA TECH – Valves (Czech Republic)

☀ EBARA – Pumps (Italy)

☀ MAS – Pumps (Turkey)

☀ DRENO – Pumps (Italy)

☀ BOMBAS OMEGA – Pumps (Spain)

☀ BOMBAS IDEAL – Pumps (Spain)

☀ POLAT– Reduction Gearbox (Turkey)

☀ KATA – Valves (China)

☀ BOL – Valves (China)

☀ ARMATURY GROUP – Valves (Czech Republic)

☀ I.B.C. PRAHA SPOL – Valves (Czech Republic)

☀ CJ – Valves (China)

☀ HEBEI METAL – Pipes and Pipe fittings (China)
